

Maths Year 3 Unit4 Week 1 (T4) Fractions A Week 1 - 2023-24 (28.2.24)

Work to Praise and Share

Support Needed

Generally solid in lesson 1.

- Lots struggled with question 8 (28.2), which was testing knowledge of 'size of denominator means smaller portion'. Whole-class feedback to start next lesson.
- Maleek needs reminding that the denominator is all the parts of the whole, not just the ones that aren't shaded.

Presentation Highlights

Basic Errors

- Lots struggled with question 8, which was testing knowledge of 'size of denominator means smaller portion'. Whole-class feedback to start next lesson.
- Maleek needs reminding that the denominator is all the parts of the whole, not just the ones that aren't shaded.

Next Lesson Steps

- Lots struggled with question 8 (28.2), which was testing knowledge of 'size of denominator means smaller portion'. Whole-class feedback to start next lesson.
- Maleek needs reminding that the denominator is all the parts of the whole, not just the ones that aren't shaded.
