

Maths Year 5 Unit6 Week 6 (T6) Volume - 2023-24 (20.5.24)

Work to Praise and Share

- All fine with the idea of using cubes to work out the volume of a shape, and made a good start to using cm cubed.
- All very good at comparing amounts of volume and writing their answers as cm cubed instead of '8 cubes' or '9 cubes.'

Support Needed

Presentation Highlights

Basic Errors

- More practise needed with drawing on isometric paper.
