

Maths Year 5 Unit6 Week 2 (T6) Decimals Week 3 - 2023-24 (2.7.24)

Work to Praise and Share

- Most children can divide decimal numbers by 10 or 100 - good improvement from Lucy, Scarlett A-C and Scarlett W
- Some can also divide decimal numbers by 1,000 - Teddy C and Corey very good
- Most very good at saying whether a decimal has been multiplied or divided by 10, 100 or 1,000 based on its new position in a place value chart

Support Needed

Presentation Highlights

Basic Errors

- Some children not moving across the right number of columns when dividing by 100 or 1,000
- Olivia, Phoebe and Levi have grasped the dividing aspect but write their answers as '0.7' instead of '0.07'
- Some sloppiness with explaining whether the counters move to the right or left as well as how many spaces
