

Maths Year 5 Unit4 Perimeter and area Week 1 - 2024-25 (31.1.25)

Work to Praise and Share

- Good start to measuring and finding the perimeter from Millie, Jimmy, Ivy, Max, Lucas, Ben H, Aniyah, Claudia, Lyla, Poppy and Isabella.
- Poppy, Claudia, Keegan, Elsie, Jimmy, Millie, Ivy, Ben H, Lucas and River very good at finding perimeters of rectilinear shapes
- Majority of the class good at finding the perimeter of polygons using either their adding or times tables skills and becoming more accurate with their adding.

Support Needed

Presentation Highlights

Basic Errors

- Jensen, Olivia, Jaxson, Alice and Elsie seem able but don't work quickly enough.
- Caine and Keegan work fairly slowly but still not thorough enough with their measurements or adding.
- Aside from the names mentioned, the class were not very accurate with their adding, even when just using 1-digit numbers when finding perimeters of rectilinear shapes.
