

Maths Year 5 Unit5 Week 5 (T5) Position and Direction Week 2 - 2024-25 (10.6.25)

Work to Praise and Share

- Majority of the class capable of using mirrors and rulers to draw horizontal and vertical lines of symmetry, and continued this when reflecting shapes using a mirror line.

Support Needed

Presentation Highlights

Basic Errors

- A small number of children found using a mirror with diagonal lines of symmetry more challenging at first but were much improved by the end of the lesson.
- More practise needed with reflecting shapes that are not quadrilaterals, especially those that are not on the mirror line.
