

Maths Year 5 Unit6 Week 6 (T6) Volume - 2024-25 (7.7.25)

Work to Praise and Share

- (1.7) Whole class good at counting number of cubes to find the volume of a shape, including any cubes that were hidden
- (1.7) Class also showed a good understanding of cubic cm
- (3.7 and 4.7) Majority of class very good at comparing and estimating volume using shapes made of cubes. They are also, as a collective, becoming more proficient when counting any hidden cubes in 3D shapes.

Support Needed

Presentation Highlights

Basic Errors

- (1.7) More practise of drawing shapes on isometric paper required.
