

Maths Year 5 Unit6 Negative Numbers - 2024-25 (15.7.25)

Work to Praise and Share

- (9.7) A great start - the whole class understood negative numbers up to -5 in the context of temperature and elevator floors.
- (10.7) Majority of the class very good at counting through zero and accurate when counting through zero using multiples of 2, 3 or 5.
- (14.7) All children could compare and order negative numbers.
- (15.7) All children could find the difference between a negative number and positive number.
